A motion was made by Commissioner Walker, seconded by Commissioner Swanson and carried unanimously to adopt the following Resolution:

2018-05-01

Resolution to Incorporate the Summary of Watercourses into the Roseau County Comprehensive Local Water Management Plan

Whereas; Minnesota Statutes Chapter 103F.48 requires Soil and Water Conservation Districts (SWCDs), in consultation with local water management authorities, to develop, adopt, and submit to each local water management authority within its boundary a summary of watercourses;

Whereas; The Board of Water and Soil Resources has adopted Buffer Law Implementation Policy #6 'Local Water Resources Riparian Protection ("Other Watercourses")' which identifies steps SWCDs are required to take in developing said inventory;

Whereas; Roseau SWCD has adopted a descriptive inventory of other watercourses and provided it to Roseau County on June 13, 2018;

Whereas; Roseau County recommends that implementation of buffers or other practices on these waters be voluntary in nature through the Comprehensive Local Water Management Plan;

Whereas; Minnesota Statutes Chapter 103F.48 requires a local water management authority that receives a summary of watercourses identified under this subdivision must incorporate an addendum to its comprehensive local water management plan, or comprehensive watershed management plan, to include the SWCD recommendations by July 1, 2018;

Whereas; Minnesota Statutes Chapter 103F.48 does not require a plan amendment as long as a copy of the included information is distributed to all agencies, organizations, and individuals required to receive a copy of the plan changes.

Therefore, Be It Resolved, that the summary of watercourses or "other waters" for Roseau County shall be incorporated as an addendum in its current local water management plan;

Be It Further Resolved, that Roseau County authorizes staff to provide a copy of the addendum and any supporting information to be distributed to all agencies, organizations, and individuals required to receive a copy of the plan changes.
